Ha – right!

I think I will just send her the approved response about the fact that we have not completed our review of the report.

Hi Lisa,

See below, another reporter asking for an interview. You probably need to respond back as my response would be “I have a general rule not to talk with reporters who won’t give me questions ahead of an interview” ☺

Maybe you can let her know so I don’t seem to just be putting her off.

Thanks
Mike

Hi Mike,

I was just out near the CFAC site speaking with some of the neighbors about their drinking water following the release of the report. I have a general rule that I don't give questions out ahead of an interview, but I'm hoping you can speak with me over the phone on record for 5 minutes about what the report says about the water being contaminated and how that affects nearby neighbors. I hope to get your statement in my report so hope to hear from you as soon as possible.

Thank you,
Nicole Miller
